

Awards and Graduation Procedure

Governing policy

[Awards and Graduation Policy](#)

Purpose

This procedure provides guidance on the conferral process for awards within AIB through which students can receive an authorised parchment and official academic transcript for their course and the eligibility criteria regarding the graduation ceremony and awards.

Definitions

Unless otherwise defined in this document, all capitalised terms are defined in the [glossary](#).

An **Academic transcript** is an official record of the results of all learning leading to an AQF qualification.

A **Parchment** is an official document (sometimes referred to as certificate or testamur) that confirms a qualification has been awarded to an individual.

Procedure

1. Parchments and academic transcripts

1.1. Eligibility and issuance

- (a) Students will be provided one free copy each of a parchment and an academic transcript on completion of the requirements of their AQF qualification. Additional copies may be purchased upon payment of the appropriate fee(s).
- (b) Except for a higher qualification such as an MBA all students must apply to receive their parchment and academic transcript, using the standard *Request for Parchment and/ or Transcript Form*.
- (c) The Academic Dean will convene a meeting of the Academic Grades Committee at regular intervals to review the results of coursework students and recommend awards to the Academic Board for formal approval and conferral. The Academic Board formally approves the issuance of qualifications upon recommendation from the Academic Grades Committee. Each interval has a cut-off date for qualification approvals by which the submission of request forms, and payment where required, must be completed. Note that research Candidate awards are recommended to the Academic Board by Research and Higher Degrees Committee.
- (d) Parchments will only be issued after the formal approval of the qualification by the Academic Board. For integrity purposes, AIB does not issue parchments and academic transcripts via email.

- (e) Graduands may use the postnominal for the qualification upon formal approval of the qualification. See Appendix 1 for AIB postnominals.
- (f) Subject to the condition specified in (f), a student who successfully completes the requirements of a course is entitled to be admitted to the award for that course, including those courses within a nested qualification (such as a Graduate Certificate or Graduate Diploma).
- (g) Students will not be issued a parchment for a nested qualification (a Graduate Certificate or Graduate Diploma) unless they have completed at least 50% of the relevant course with AIB and otherwise meet all other course requirements.
- (h) Fees for a requested issuance of a parchment and/or academic transcript of a lower qualification are payable where a student is continuing into the related higher qualification.
- (i) Students who complete subjects can generate an unofficial academic transcript through secured access to their records on the AIB student learning platform. Students are also entitled prior to completion of an AQF Qualification to an official copy of their academic transcript upon payment of the appropriate fee.
- (j) Students who withdraw from their course are issued a parchment (for any completed lower qualification as appropriate) and one academic transcript free of charge.
- (k) Where a student does not complete the requirements for a course, and is withdrawing from their course, an official academic transcript or alternative authorised record of results, will be issued by AIB.
- (l) The conferral or issuance by AIB of any transcripts or parchments for a qualification is subject to
 - (i) payment of all outstanding fees (including, but not limited to, the payment of course fees, such as course fees that are payable under a Direct Debit Contract, but which have not been paid)
 - (ii) provision to AIB of a student's verified Unique Student Identifier where required by law (a regulatory requirement effective 1 January 2023).
- (m) AIB will record each qualification issued in the secure Register of Qualifications Issued.

1.2. Replacement parchments

- (a) Replacement parchments are only issued if the original is lost or destroyed or the recipient has legally changed their name since the award was made. AIB records the issuance of replacement parchments.
- (b) All replacement parchments are issued on the current official parchment stationery and in the current official format and will state the parchment is a "replacement copy".
- (c) An original statutory declaration must be provided stating the need for the replacement parchment and, where possible, return the original parchment to be replaced.
- (d) A replacement parchment fee is payable.

2. Graduation ceremonies

2.1. Attendance at Graduation

- (a) Students who have satisfied the requirements of their course and have been awarded a qualification in a particular year may participate in the first available AIB Graduation Ceremony.

- (b) If a student does not participate in the first available AIB Graduation and wishes to participate in a subsequent AIB Graduation, they may do so, provided it is within a reasonable time from the date of issue of the parchment.
- (c) Students are only permitted to participate in one AIB Graduation for each AIB qualification achieved.
- (d) Students must complete the relevant registration process to participate in an AIB Graduation ceremony. A graduation fee is payable by the student in respect of attendance.
- (e) Students may bring guests (i.e. family and friends) to the Graduation. A fee is payable by the student in respect of each guest attending the Graduation. As part of the registration process students must confirm the number of guests they wish to bring to the Graduation and then make the appropriate payment. A limited number of places will be set aside at each Graduation for each student's guests.

2.2. Academic regalia

- (a) Students participating in a Graduation ceremony are required to wear the appropriate AIB academic regalia.
- (b) Academic regalia can be hired on payment of the appropriate academic regalia hire fee. Academic regalia may also be purchased.
- (c) Any academic regalia that has been hired through AIB must be returned according to the terms provided at registration. Additional fees will be payable in the event of a late return or if the academic regalia is returned in a damaged condition.
