

## AIB Referral Program

### Terms and Conditions

The Australian Institute of Business (AIB) Referral Program is a tool to recognise and reward current and past AIB students who refer people they know to study with AIB.

1. Only AIB students and graduates are eligible to receive payment as part of the AIB Referral Program.
2. Referrals must be submitted via the official referral program page to be eligible for payment. Referrals which do not occur on this page will not be eligible for payment.
3. Payment of \$500AUD will be made to the referrer after the referred student passes [census date](#) of their first subject.
4. In the event that multiple referrals are received for a single new student, only the first referral received will be eligible for payment.
5. Payment will only be made to the referrer if their referral is lodged prior to the referees application date, and prior to the admin date of the term they're enrolling in.
6. A representative from AIB's finance team will contact the referrer when they are eligible to receive payment and their bank details will be requested. Payment will then be made by bank transfer in Australian dollars.
7. AIB is not liable for conversion rates to foreign currencies.
8. The referrers AIB student ID, if requested on the referral program page when the referral is lodged, must be correct for payment to be made.
9. Referrers will be contacted via the contact information AIB has in their student file. It is the student/graduate's responsibility to ensure AIB has their current contact details.
10. The person referred to study with AIB is not eligible for payment under this program from AIB.
11. For the referrer to be eligible for payment, the referred student must sit at least one subject within one year of the referral.
